

Believe

Planetshakers

The rain may fall,
The thunder roar,
Yet I believe, I believe
What people may say,
Whatever comes my way,
I will believe, I believe

Nothing can separate me from Your love,
So I lift my eyes to heaven and believe

You are my God,
You are my saviour,
You hold the world within Your hands
You are my God,
You are my healer,
Lord I believe in You, Jesus,
Lord I believe

Hallelujah, Hallelujah,
Hallelujah, Glory to God
