

Bring It On

Planetshakers

You are my provider.
Everything I need is found in You.
You are my desire.
Every step I take I look to You.

The One who gives me life.
The One who gives me joy.
The One who gives me all I need

Bring it on Your love and favor.
Pour it out till it runs over.
Bring it on Your love and favor.
Pour it out Lord.

Bring it on.
Bring it on.
Favor.
Bring it on.
Bring it on.
Blessing.
Bring it on.
Bring it on.
Favor.
Bring it on.
Bring it on.
