

## Calvary

Planetshakers

I will lift my eyes to You  
Where my help comes from  
Lord I find my rest in You  
Keeper of my soul

You gave it all for me  
Maker of Heaven  
You paid the price  
So I could be with You

Jesus, I remember the cross  
Where You hung upon that tree  
You won the ultimate victory  
Jesus, I remember Calvary

You reign  
You reign over the earth
