

# Delight

Planetshakers

Gather up all my affections  
Direct them to You  
Filling up my heart as I think of  
The wonder of You  
It puts a smile on my face  
As I go over and over  
All the things You do God  
I found a joy overflowing  
And the fountain is You  
Delight in the Lord, delight in the Lord  
All of my heart and soul rejoice  
You are my reason, You're my reward  
You are the treasure I adore  
Whoa, whoa  
My delight is in You  
Whoa, whoa  
My delight is in You

I just can't get over Your kindness  
Your goodness to me  
Never let my heart get familiar  
With the things that I've seen  
It puts a smile on my face  
As I go over and over  
All the things You do God  
I found a joy overflowing  
And the fountain is You  
Delight in the Lord, delight in the Lord  
All of my heart and soul rejoice  
You are my reason, You're my reward  
You are the treasure I adore  
Whoa, whoa  
My delight is in You  
Whoa, whoa  
My delight is in You

For all Your loving kindness  
Your grace and Your forgiveness  
The way You keep Your promise  
(I got a reason to praise the Lord)

For mercies new each morning  
For joy that's overflowing  
For love that's never failing  
(I got a reason to praise the Lord)

For all Your loving kindness  
Your grace and Your forgiveness  
The way You keep Your promise  
(I got a reason to praise the Lord)

For mercies new each morning  
For joy that's overflowing  
For love that's never failing  
(I got a reason to praise the Lord)

Delight in the Lord, delight in the Lord

All of my heart and soul rejoice  
You are my reason, You're my reward  
You are the treasure I adore  
Whoa, whoa  
My delight is in You  
Whoa, whoa  
My delight is in You

I got a reason to praise the Lord  
(I got a reason to praise the Lord)  
I got a reason to praise the Lord  
(I got a reason to praise the Lord)  
I got a reason to praise the Lord  
(I got a reason to praise the Lord)  
I got a reason to praise the Lord
