

## Do It Again

Planetshakers

You can do all things.  
Heal every sickness free every captive.  
You can do all things.  
Restore what is broken blind eyes  
You open.

The mountains melt like wax before  
You God.  
So let all the earth rejoice in who  
You are.

Do it again do it again.  
Everything we've seen and more.  
Do it again do it again.  
Lord we believe for more.  
Do it again.

Do it again do it again Jesus.  
Whoa.
