

Emmanuel

Planetshakers

You're always with me here
You said You'd never leave
Emmanuel
God with us

No matter where I go
I can't escape Your love
Emmanuel
God with us

In the valley You are there
You're reminding me again

Wherever I go
I know You're always with me
Lost in Your love
Surrounded by goodness and mercy
You never leave
Never leave
I believe
Jesus, You're always with me

No matter where I go
I can't escape Your love
Emmanuel
God with us

In the valley You are there
You're reminding me again
And on the mountain You are there
You are with me anywhere

Wherever I go
I know You're always with me
Lost in Your love
Surrounded by goodness and mercy
You never leave
Never leave
I believe
Jesus You're always with me

I worship You here
I worship You here
I'm drawing near
I'm drawing near

I worship You here
I worship You here
I'm drawing near
I'm drawing near

Wherever I go
I know You're always with me
Lost in Your love
Surrounded by goodness and mercy
You never leave
Never leave

I believe
Jesus, You're always with me

Wherever I go
I know You're always with me
Lost in Your love
Surrounded by goodness and mercy
You never leave
Never leave
I believe
Jesus You're always with me

I worship You here
I worship You here
I'm drawing near
I'm drawing near

I worship You here
I worship You here
I'm drawing near
I'm drawing near
