You're my Savior, You're my Healer
You're everything I need
You're my comfort, You're my best friend
Forever You will reign

You are high and lifted up
And Your Kingdom will have no end

I am favored I am blessed
By the cross, and the blood that was shed
I am favored I am blessed
I can do all things, because of what You've done for me

Nothing is impossible for those that believe
Nothing is too difficult for our God
Nothing is impossible for those that believe
I believe, I believe in You
