

Glory Forever

Planetshakers

Be glorify be lifted high
Here in this place be magnified
King forever living Saviour Jesus Christ

Love crucified now reigns on high
The King of kings the Lord on high
King forever living Saviour Jesus Christ

Lift up your eyes and see the Christ
He is higher He is high above all things

Glory forever glory forever
King over everything
Holy and righteous is Your name

Glory forever glory forever
Creator of everything
Holy and righteous is Your name

Jesus

Hallelujah Hallelujah we will sing
Hallelujah Hallelujah to the King
