

# Greater

Planetshakers

Greater than the perfect sunrise  
Greater than the oceans deep  
Greater than the highest mountain  
Lord, I believe

You are greater than the world I see  
Yeah, Jesus You're above everything  
And Your Spirit is alive in me  
Yeah, with You I can do anything  
You're greater

Jesus, you're greater  
Let's go

Greater than all expectation  
Greater than my wildest dream  
Far beyond my comprehension  
Lord, I believe

You are greater than the world I see  
Oh, yeah, Jesus You're above everything  
And Your Spirit is alive in me  
Yeah, with You I can do anything  
'Cause You're greater

Jesus, you're greater  
One, two, three, four

There is no one like You  
No one can compare to  
Jesus, You are greater  
Than everything

There is no one like You  
No one can compare to  
Jesus, You are greater  
Than everything

Greater than the world I see  
Yeah, Jesus You're above everything  
And Your Spirit is alive in me  
Yeah, with You I can do anything  
'Cause You're greater

'Cause there is no one like You  
No one can compare to  
Jesus You are greater  
Than everything

There is no one like You  
No one can compare to  
Jesus You are greater  
Than everything

You are greater than the world I see  
Yeah, Jesus You're above everything  
And Your Spirit is alive in me

Yeah, with You I can do anything  
'Cause You're greater

Yes, You are, Lord
