Now, my heart is open now
Your love advances, breaks my defenses down
Go, Jesus I'm letting go
Your grace is greater than every failure
Now I'm coming

Home, I know I am home
Safe within my Savior's arms
Right back where I belong
Home, I'm forgiven, home
I hear Heaven's angels sing
Father You welcome me

Fall, Father You broke my fall
Your mercy found me, wrapped arms around me
Now I'm coming
Now I'm running

I'm running, running, into Your arms
I'm running, running, into Your heart
Your presence is my home
I'm running, running, hands lifted high
I'm running, running, heart open wide
Your presence is my home
