

## How I Praise

Planetshakers

This is how I praise You  
I throw my hands up  
To You my Saviour  
I'm gonna stand up  
And give You everything, everything  
Everything, all that I am

This is how I praise You  
I'm going all in  
Yeah I'm on fire  
I'm gonna dive in  
And give You everything, everything  
Everything, all that I am

I'm In love with You  
I'm in love with You  
For all You've brought me through  
My praise belongs to You

This is how I praise You  
This is how I praise You

This is why I praise You  
'Cause You're amazing  
And You are greater  
You're everlasting  
And You are everything, everything  
Everything, Jesus you are

I'm In love with You  
I'm in love with You  
For all You've brought me through  
My praise belongs to You

This is how I praise You  
This is how I praise You

Glory to the King  
Glory to the King  
To the One who reigns on high  
Everybody sing  
Let the praises ring  
To the One who reigns on high

Glory to the King  
Glory to the King  
To the One who reigns on high  
Everybody sing  
Let the praises ring  
To the One who reigns on high

This is how I praise You
