

It Is Done

Planetshakers

With me, it is impossible
With You, all things are possible
I know, there is a miracle
There is a miracle
You are, the God of everything
With You, I can do anything
'Cause I know, there is a miracle
There is a miracle

This mountain will be moved
'Cause I know You're able to
You just say the word
And it is done
So I put my faith in You
'Cause You always, follow through
You just say the word
And it is done
It is done
It is done
In the name of Jesus

I am, who You say I am
And I can, do what You say I can
'Cause I know, there is a miracle
There is a miracle

This mountain will be moved
'Cause I know You're able to
You just say the word
And it is done
So I put my faith in You
'Cause You always, follow through
You just say the word
And it is done
It is done
It is done
In the name of Jesus

I was blind but now I see
Jesus, You have set me free
I receive Your victory
You said it, so it is done
I believe You'll make a way
So I rejoice in You today
I'm gonna give You breakthrough praise
You said it, so it is done

It is done
It is done
