

## Just One Touch

Planetshakers

I am free, every sin has been erased  
By the power of Your grace  
I am healed, every sickness and disease  
Has no hold on me  
'Cause I believe Yes I believe

Hallelujah  
You said it's done, death is overcome  
Hallelujah  
You washed me clean and now I'm free

I am blessed, O' my cup it overflows  
Beyond all that I can hold  
I am saved, by the power of Your name  
I will never be the same

With just one touch  
Every burden fell off my shoulders  
With just one touch every mountain swept away  
Now goodbye guilt and shame  
He's overcome the grave

We lift the name of Jesus higher  
We lift the name of Jesus higher
