

Limitless

Planetshakers

I'm saying goodbye to any limitation
I'm saying hello to the God of all creation
There are no limits with you
There are no limits with you

You're limitless, nothing's too hard for you
You're limitless, there's nothing you cannot do
You are bigger, and you're greater, and you're stronger I know
You're limitless, you're limitless
I'm saying goodbye to any limitation
I'm saying hello to the God of all creation
There are no limits with you
There are no limits with you

You're limitless, nothing's too hard for you
You're limitless, there's nothing you cannot do
You are bigger, and you're greater, and you're stronger I know
You're limitless, you're limitless

There's no limits with Jesus when we walk with Him
There's no limits inside of us cause He lives within
We're breaking every limitation, nothing's gonna hold us back
We'll keep exceeding the limits until He comes back
Lord, you are bigger
Lord, you are greater
Lord, you are stronger
Than anything

You're limitless, nothing's too hard for you
You're limitless, there's nothing you cannot do
You are bigger, and you're greater, and you're stronger I know
You're limitless, you're limitless
