

My Reason

Planetshakers

I don't need another reason
I just think about my Jesus
I don't need to hype myself up
I just think about Your love
Your love, Your love
Just think about Your love
Your love, Your love
Just think about Your love

And I, I I I
I don't need another reason why
I will lift, lift my voice
And shout out Your praises
You are the greatest

I'll shout out Your praises
You are the greatest
I'll shout out Your praises
You are the greatest

I'm not waiting for a feeling
I just praise 'cause I believe it
This is more than just emotion
It's the power of Your love
Your love, Your love
It's the power of Your love
Your love, Your love
It's the power of Your love

And I, I I I
I don't need another reason why
I will lift, lift my voice
And shout out Your praises
You are the greatest

I'll shout out Your praises
You are the greatest
I'll shout out Your praises
You are the greatest

You are
All that I want
You are
More than enough
So I will
Give You my praise
I will, I will, I will

And I, I I I
I don't need another reason why
I will lift, lift my voice
And shout out Your praises
You are the greatest

You are the greatest

You are

All that I want
You are
More than enough
So I will
Give You my praise
I will, I will, I will
