

My Saviour

Planetshakers

You are the light of the world,
You are the only way to heaven
I lift up my eyes to see,
Your glory, Your beauty
You are the way and the truth,
Those who believe will live forever
I lift up my eyes to see,
Your glory, Your beauty

Heaven and earth will pass away,
But Your word remains forever

I worship You,
Jesus how I long for You,
With every breath I live for You,
You are all I need
I give You praise,
With all my heart and all my days,
I long to worship You always,
You are all I need

Let all creation, bow in worship
The voices of angels in one accord
Shout the anthem of heaven, He is risen
Jesus, my saviour
