

No Compromise

Planetshakers

I've made up my mind
No compromise
I will live for You
Because of the Cross
And what it cost
I will go for You

Shout His name out!
(JESUS!)
Shout His name out!
(JESUS!)

Whoa!
I am not ashamed of You
Whoa!
I'm singin' it loud
Whoa!
I am living for You now
No matter what it costs I'll go

This praise is rising in my soul
I can't contain it any more
I just have to dance!
