

Over It All

Planetshakers

The world may fade away
But You are here to stay
You are the great I am
The beginning and the end
The calm of every storm
The light of every dawn
You always make a way
Forever You will reign

Over it all
You're over it all
You're over it all
Jesus You are Lord

You're over it all
You're over it all
You're over it all
Jesus You are Lord

You're over it all

The highest authority
Your word brings clarity
Your power rushes in
Your moving once again
You're breaking every chain
You're taking all the pain
There's nothing You can't do
There no one else like You

You're over it all
You're over it all
You're over it all
Jesus You are Lord

You're over it all
You're over it all
You're over it all
Jesus You are Lord

You are my defender
My Saviour for all time
You are my redeemer
Forever on my side
You are my provider
My healer for all time
You remain the same
This will never change

You're over it all
You're over it all
You're over it all
Jesus You are Lord

You're over it all
You're over it all
You're over it all

Jesus You are Lord

You are my defender
My Saviour for all time
You are my redeemer
Forever on my side
You are my provider
My healer for all time
You remain the same
This will never change

You are my defender
My Saviour for all time
You are my redeemer
Forever on my side
You are my provider
My healer for all time
You remain the same
This will never change

You remain the same
This will never change
You're over it all
