

Passion

Planetshakers

This passion deep within my soul
I'm letting go, I'm letting go
I won't hold it back no more
I'm giving all, I'm giving all

'Cause You've been so good
You gave up Your life for me
I praise You like I should

I give You all of me
I give You all of me
I give You all of me

Every breath I breathe for You
No holding back, no holding back
With my life I will respond
To Your call, I'm giving all

'Cause You've been so good
You gave up Your life for me
I praise You like I should

I give You all of me
I give You all of me
I give You all of me

You have it, my passion
My praises, always
I give You, my passion
My praises, always

I give You all of me
I give You all of me
I give You all of me
