

## Perfect Love

Planetshakers

You are at home in my heart  
'Cause You loved me right from the start  
When I was refusing  
Your love kept pursuing

Now that I've tasted Your love  
My heart just can't get enough  
Jesus You have me  
You have me completely

It's Your love in my heart running over  
Everyday of my life I'll draw closer

Such a perfect love  
Oh You lift me higher  
Lighting up my way  
Everything is brighter  
With You everything is better  
With You I am right where I belong  
In this perfect love

No matter what I go through  
I'll keep my eyes fixed on You  
Jesus You're faithful  
And You are able

Every part of my heart is now open  
Make Your home in my heart  
You are welcome
