```
I know You are stronger
I know You are greater
Than anything I am facing
I know You are bigger
Because of Your power
I'll never be the same again
Let Your power flow
Let Your power move
Let Your power come
Let Your power come on me today
Let it flow in my life
Let Your power come on me today
I know You are stronger
I know You are greater
Than anything I am facing
I know You are bigger
Because of Your power
I'll never be the same again
Let Your power flow
Let Your power move
Let Your power come
Let Your power come on me today
Let it flow in my life
Let Your power come on me today
Let Your glory shine on us today
Let the world see Your love
Let Your power come on me today
I've got His power
I've got His Spirit
I've got His favor
I've got the victory
Power, Power, Power
Let Your power come on me today
Let it flow in my life
Let Your power come on me today (2x)
Let Your glory shine on us today
Let the world see Your love
```

Let Your power come on me today
