

Psalm 23

Planetshakers

The Lord is my shepherd
And all I need
Through every season
Your love will lead
You're my provider
And victory
You are the strength of my life

I will praise, on the mountain
I will praise, in the valley
I will not fear
I will not fear
For You are here with me

You are preparing
A table for me
Right in the presence
Of my enemies
Goodness and mercy
Will follow me
All of the days of my life

I will praise on the mountain
I will praise in the valley
I will not fear
I will not fear
For You are here with me

I will praise on the mountain
I will praise in the valley
I will not fear
I will not fear
For You are here with me

My cup overflows
My cup overflows
Here in Your presence
You're pouring out blessing
You're more than enough
Your oil runs over
Your oil runs over
Here in Your presence
You're pouring out blessing
You're more than enough

God You're so good to me
He's so good
God is so good
God You're so good to me
Oh, come on, church, praise Him

I will praise on the mountain
I will praise in the valley
I will not fear
I will not fear
For You are here with me

I will praise on the mountain
I will praise in the valley
I will not fear
I will not fear
For You are here with me

My cup overflows
My cup overflows
Here in Your presence
You're pouring out blessing
You're more than enough
Your oil runs over
Your oil runs over
Here in Your presence
You're pouring out blessing
You're more than enough

God You're so good to me
God You're so good to me
God You're so good to me
God You're so good
God You're so good
God You're so good to me

My cup overflows
My cup overflows
When in His presence
Here in Your presence
You're pouring out blessing
He's pouring out blessing upon you
You're more than enough
He's a well of anointed spirit
Your oil runs over
Your oil runs over
Here in Your presence
You're pouring out blessing
Oh, yes, Lord
You're more than enough
Pouring out all

My cup overflows
My cup overflows
Oh, yes, it does, God
My cup overflows
Oh, in Your presence
There's everything I need

You're more than enough

Restore, refresh bodies in this room
Refresh anew systems
