

# Put Your Hands Up

Planetshakers

I gotta let You know  
That I'm so thankful  
For everything You have done  
For when You looked at me  
And turned my life around  
Now in You I am found

So put your hands up  
Everybody give Him glory  
Hands up

Everybody shout your praise aloud  
And sing with everything  
Give Him all the glory, for our God is worthy

I gotta let You know  
That I'm so thankful  
For everything You have done  
For when You looked at me  
And turned my life around  
Now in You I am found

So put your hands up  
Everybody give Him glory  
Hands up

Everybody shout your praise aloud  
And sing with everything  
Give Him all the glory, for our God is worthy  
Everybody shout your praise aloud  
And sing with everything  
Give Him all the glory, for our God is worthy

If you love Him don't stop praise Him put your hands up  
If you love Him don't stop praise Him put your hands up  
Everybody give Him glory put your hands up  
Put your hands up, put your hands up [x4]
