

Rain Your Glory Down

Planetshakers

I feel it in the atmosphere
Cloud of glory drawing near
Anticipation in the air
Your power moving everywhere

And we're ready
Lord we're ready

So rain, rain
Rain down Your glory
On us, again
Pour out Your Spirit and rain

The sound of heaven fills this place
As we come and seek Your face
Nothing ever will compare
You are the answer to our prayer

And we're ready
Lord we're ready
Yeah we're ready
Lord we're ready

So rain, rain
Rain down Your glory
On us, again
Pour out Your Spirit

And rain, rain
Rain down Your glory
On us, again
Pour out Your Spirit and rain

Saturate me now
Come and pour it out
Spirit move in power
Rain Your glory down

Saturate me now
Come and pour it out
Spirit move in power
Rain Your glory down

Lord I'm craving more
More than before
You are all I want
All I'm longing for
Holy Spirit rain
On my heart again
Lord I'm ready
Lord I'm ready

Lord I'm craving more
More than before
You are all I want
All I'm longing for
Holy Spirit rain

On my heart again
Lord I'm ready
Lord I'm ready
Lord I'm ready
Lord I'm ready

So rain, rain
Rain down Your glory
On us, again
Pour out Your Spirit

And rain, rain
Rain down Your glory
On us, again
Pour out Your Spirit and rain

We are ready
We are ready
We are ready
So pour it out, pour it out

We are ready
We are ready
We are ready
So pour it out, pour it out

We are ready
We are ready
We are ready
So pour it out, pour it out

We are ready
We are ready
We are ready
So pour it out, pour it out

We are ready
We are ready
We are ready
So pour it out, pour it out

We are ready
We are ready
We are ready
So pour it out, pour it out
