Planetshakers

I'm gonna rejoice in You  
That's what I'm gonna do  
I'm gonna rejoice in You

I'm gonna rejoice in You  
That's what I'm gonna do  
I'm gonna rejoice in You

Today is the day  
The day the You have made  
So I will rejoice  
And give You all the praise  
I will be glad  
I walking by faith  
Whatever I face  
I will sing

Come on put your hands up

I'm gonna rejoice in You  
That's what I'm gonna do  
I'm gonna rejoice in You

I'm gonna rejoice in You  
That's what I'm gonna do  
I'm gonna rejoice in You

When I think of the way  
That Your love brought me through  
I've gotta praise  
For all the things You do  
How could I say  
How grateful I am  
I lift my hands  
I will sing

I'm gonna rejoice in You  
That's what I'm gonna do  
I'm gonna rejoice in You

I'm gonna rejoice in You  
That's what I'm gonna do  
I'm gonna rejoice in You

We will praise His name in the morning  
We will praise His name through the night  
Come on and bless the Lord everybody  
Lift your voice and celebrate

We will praise His name in the morning  
We will praise His name through the night  
Come on and bless the Lord everybody  
Lift your voice and celebrate

I'm gonna rejoice in You  
That's what I'm gonna do  
I'm gonna rejoice in You

I'm gonna rejoice in You  
That's what I'm gonna do  
I'm gonna rejoice in You
