

Right Now

Planetshakers

My mind's made up, my intentions clear
All that I want, is found right here
I'm moving close, awaken desire
I hunger and thirst, so take me higher
So take me higher, so take me higher

Right now, Holy Spirit move
Fane into flame and consume, all of my heart again
Right here, pour Your Spirit out
Come like a rushing wind, and burn in my heart again
Right now, oh-oh-ohh-oh-ohhhh

My mind's made up, my intentions clear
(All that I want) All that I want
(Is found right here) Is found right here
I'm moving close, awaken desire
(Oh, I hunger and thirst) I hunger and thirst
(Take me higher) So take me higher
(Take us higher, God)
So take me higher, so take me higher
(Take us higher)
So take me higher
(Oh, take us higher)
So take me higher

Right now, Holy Spirit move
Fane into flame and consume, all of my heart again
Right here, pour Your Spirit out
Come like a rushing wind, and burn in my heart again, ohh!

I will worship, I will worship with all that's in me
I will praise You, I will praise You with all my heart
You are holy, You are worthy of all the glory
Full of power, God, forever Your kingdom reigns
I will worship, I will worship with all that's in me
I will praise You, I will praise You with all my heart, ohh
You are holy, You are worthy of all the glory
Full of power, God, forever Your kingdom reigns

Right now, Holy Spirit move
Fane into flame and consume, all of my heart again
Right here, pour Your Spirit out
Come like a rushing wind, and burn in my heart again

(I will worship)
I will worship, I will worship with all that's in me
I will praise You, I will praise You with all my heart
(Oh, You are holy) You are holy
(You are worthy) You are worthy of all the glory
Full of power, God, forever Your kingdom reigns

So take me higher, so take me higher
So take me higher, so take me higher

So take me higher, so take me higher
So take me higher, so take me higher

Right now, Holy Spirit move
Fane into flame and consume, all of my heart again
Right here, pour Your Spirit out
Come like a rushing wind, and burn in my heart again
