

Rivers

Planetshakers

This one thing I need
Lord, immerse me in Your glory
Heaven has released
Your anointing saturating me

I lay me
Down in the rivers of Your presence
This is what I've been waiting for
Here is my heart surrendered, Lord

This one thing I need
Lord, to know You, oh so deeply
Overwhelm my soul
Holy Spirit You can have everything

So I lay me
Down in the rivers of Your presence
This is what I've been waiting for
Here is my heart surrendered, Lord
Let Your Spirit flood me
Wash over, saturate me
This is what I've been waiting for
Here is my heart surrendered, Lord

I give all, I give all
Lord take me deeper than I've ever been
I let go, I let go
Heaven is open and I'm diving in
I give all, I give all
Lord take me deeper than I've ever been
I let go, I let go
Heaven is open and I'm diving in
I give all, I give all
Lord take me deeper than I've ever been
I let go, I let go
Heaven is open and I'm diving into You

I lay me
Down in the rivers of Your presence
This is what I've been waiting for
Here is my heart surrendered, Lord
Let Your spirit flood me
Wash over, saturate me
This is what I've been waiting for
Here is my heart surrendered, Lord

I give all, I give all
Lord take me deeper than I've ever been
I let go, I let go
Heaven is open and I'm diving in
I give all, I give all
Lord take me deeper than I've ever been
I let go, I let go
Heaven is open and I'm diving into You, to You
Heaven is open and I'm diving into You, to You
Heaven is open and I'm diving into You, to You
Heaven is open and I'm diving into You, to You

Heaven is open and I'm diving into You, to You
Heaven is open and I'm diving into You, to You
Heaven is open and I'm diving into You
