Planetshakers

Who You are is holy
Nothing in this world compares
Hidden in Your glory
Are treasures far beyond compare

Beauty on beauty
Wonder on wonder
Lord there's none like You

Closer and closer
You draw me in so
I will run to You

I'm running
Running to You
I'm longing
Longing for You

I'm pouring
My affection on You
'Cause all I want is You
All I want is You

Who You are is worthy
All creation bows to You
All You do is perfect
Every word is proven true

Beauty on beauty
Wonder on wonder
Lord there's none like You

Closer and closer
You draw me in so
I will run to You

I'm running
Running to You
I'm longing
Longing for You

I'm pouring
My affection on You
'Cause all I want is You
All I want is You

Holy, holy
Lord almighty
There is none like You

Worthy, worthy
You are worthy
There is none like You

Holy, holy
Lord almighty
There is none like You

Worthy, worthy
You are worthy
There is none like You

Holy, holy
Lord almighty
There is none like You

Worthy, worthy
You are worthy
There is none like You

I'm running
Running to You
I'm longing
Longing for You

I'm pouring
My affection on You
'Cause all I want is You
All I want is You
All I want is You
All I want is You
