

# Set Me Ablaze

Planetshakers

Lord we desire to see Your kingdom come  
To see the glory of Your Son  
Shining bright on everyone

All we desire is Your eternal flame  
Burning brighter than the sun  
Bringing hope to everyone

For my generation Lord  
I am crying out for more  
Come and fill me with Your fire  
Set me ablaze, set me ablaze

I want Your fire  
More of Your power  
Set me ablaze, set me ablaze  
I want to know Your fire again

All we desire is Your eternal flame  
Burning brighter than the sun  
Bringing hope to everyone

For my generation Lord  
I am crying out for more  
Come and fill me with Your fire  
Set me ablaze, set me ablaze

I want Your fire  
More of Your power  
Set me ablaze, set me ablaze  
I want to know Your fire again

Pour out Your Spirit  
More of Your Presence  
Fill me again, fill me again  
I want to know Your fire within

Fill me up, fill me up  
Till I'm overflowing  
Fill me up, fill me up  
Till I'm running over  
Fill me up, fill me up  
Till I'm overflowing  
Overflowing  
(2x)

I want Your fire  
More of Your power  
Set me ablaze, set me ablaze  
I want to know Your fire again

Pour out Your Spirit  
More of Your Presence  
Fill me again, fill me again  
I want to know Your fire within

Fill me up, fill me up

Till I'm overflowing  
Fill me up, fill me up  
Till I'm running over  
Fill me up, fill me up  
Till I'm overflowing  
Overflowing  
(2x)

For my generation Lord  
I am crying out for more  
Come and fill me with Your fire  
Set me ablaze, set me ablaze  
(7x)
