

Sing It Again

Planetshakers

Let it begin, our freedom celebration
We'll dance and sing
There's a Holy Ghost party that never stops

Arise, in Your praise my soul delights
Shine, my dance anthem is Your love

Sing it again, our God reigns
We lift our praise unto Your name again
All 'round the world we'll sing
Sing it again, our God reigns
He taught our dead hearts how to beat again
All 'round the world we'll sing

Around the world, join in the celebration
Let it be heard
There's a Holy Ghost party that never stops

Arise, in Your praise my soul delights
Shine, my dance anthem is Your love

Sing it again, our God reigns
We lift our praise unto Your name again
All 'round the world we'll sing
Sing it again, our God reigns
He taught our dead hearts how to beat again
All 'round the world we'll sing

Every tribe and nation
Come and join the celebration
Every heart and generation
Sing let it begin, let it begin

Every tribe and nation
Come and join the celebration
Every heart and generation
Sing let it begin, let it begin

Sing it again, our God reigns
We lift our praise unto Your name again
All 'round the world we'll sing
Sing it again, our God reigns
He taught our dead hearts how to beat again
All 'round the world we'll sing
