

## So Good

Planetshakers

A kind of explosion  
It happened inside me  
The moment You came in  
Into my life  
I felt Your power  
It lifted me higher  
Now I'm on fire  
Burning for You

No I'm not mistaken  
In who I'm praising  
You are the reason  
That I'm alive  
Jesus You came in  
And everything's changing  
So I am praising  
And lifting You high

God You're so good  
God You're so good  
There's nobody like You  
There is no one like You  
God You're so good  
God You're so good  
There's nobody like You  
There is no one like You

There's nothing better  
Lord, than Your presence  
I wanna stay here  
All of my days  
It's so releasing  
Here in Your freedom  
So I am praising  
And lifting Your name

God You're so good  
God You're so good  
There's nobody like You  
There is no one like You  
God You're so good  
God You're so good  
There's nobody like You  
There is no one like You

Say Whoa  
Whoa  
Say Whoa  
Whoa  
Say Whoa  
Whoa  
There is no one like You  
There is no one like You

Say Whoa  
Whoa  
Say Whoa

Whoa  
Say Whoa  
Whoa

There is no one like You  
There is no one like You

God You're so good  
God You're so good  
There's nobody like You  
There is no one like You  
God You're so good  
God You're so good  
There's nobody like You  
There is no one like You

There is no one like You
