Planetshakers

Something never seen never heard before.  
It's supernatural.  
Step into the new see the old no more.  
It's supernatural

Take us higher.  
Take us deeper.  
Take us into everything you have for us.

We're going up moving out of the natural.  
We're stepping in to the promises of Your Word.  
We're going up to the supernatural.  
Whoa.

Are you ready (are you ready).  
For His power (for His power).  
I am ready (I am ready).  
It's supernatural (it's supernatural).
