

Take Me Back

Planetshakers

Take me back to the beginning
To the hour and the minute
When You met me
And I gave You my heart
Gave You my heart
I gave You everything

And this is where it started
When I heard it, when I got it
I believe that You have
Set me apart
Set me apart
I'm never the same again

I remember what You've done
And all the battles You have won
Jesus Your love never failed
You made a way
And I know there's so much more
More than I've been asking for
So with all my heart and all my soul
I'll celebrate

Come on put your hands together

I recall and I remember
When I encountered all Your power
Holy Spirit came
And set me on fire
Set me on fire
Living on fire for You

And when I think about it
I can feel it burning brighter
If You did it
You can do it again
Do it again
Do it again in me

I remember what You've done
And all the battles You have won
Jesus Your love never failed
You made a way
And I know there's so much more
More than I've been asking for
So with all my heart and all my soul
I'll celebrate

I'm never gonna be the same
'Cause You changed my heart
My way of thinking
Forever I will praise Your name
'Cause Your perfect love
Is never ending
And You hold my future
In Your hands
And You made me Yours

So here I am
I'm holding on
To You

I remember what You've done
And all the battles You have won
Jesus Your love never failed
You made a way
And I know there's so much more
More than I've been asking for
After you believe it
So with all my heart and all my soul
I'll celebrate

I'll celebrate

I'll celebrate
