

Time To Leave

Plastiscines

Go ahead you wanna see it better
Everyday you wanna go go further
There is nothing nice around me lover
Nothing here to stand for

Every every everday
You hold me tight, you hold me tight
Every every Everday
You hold me tight, you hold me tight

I just don't want to let it go
I just don't want to let him know
I just don't want to let it go

Bye bye baby
It's time to leave (2x)
Bye bye baby
It's time to leave (2x)

Go ahead it is hard to go go go through
I see the dark night but not you
Everything here is played out of time
Nothing seems to be mine

Every every Everday
You hold me tight, you hold me tight
Every every Everday
You hold me tight, you hold me tight

I just don't want to let it go
I just don't want to let him know
I just don't want to let it go

Bye bye baby
It's time to leave (2x)
Bye bye baby
It's time to leave (2x)

I'll find my way to walk away
I'll find my way to walk away
Every every Everday

Bye bye baby
It's time to leave (2x)
Bye bye baby
It's time to leave (2x)
