

Father Christmas

Platinum Blonde

You sometimes feel the weight upon your shoulder
Wake up to see your problems getting older
One day you'll find
Another year has left you behind

I wish I could be your Father Christmas
I wish I could be there for you

You said that you'd be home in time for Christmas
Make up for all the days you were away
Well save a prayer on your rosary
'Cause it's not too late for you and me

Father Christmas

I wish I could be your Father Christmas
I wish I could be your Father Christmas
I wish I could be there for you

I wish I could be your Father Christmas
I wish I could be your Father Christmas
I wish I could be your Father Christmas
Father Christmas
You make me feel like, you make me feel like
Dreaming again
Father Christmas
