

# Taking Chances

Platinum Weird

Don't know much about your life  
Don't know much about your world  
But don't wanna be alone tonight  
On this planet they call Earth

You don't know about my past  
And I don't have a future figured out  
And maybe this has gone too fast  
And maybe it's not meant to last

But what do you say to taking chances  
What do you say to jumping off the edge  
Never knowing if there's solid ground below  
Or a hand to hold  
Or hell to pay  
What do you say  
What do you say

I just wanna start again  
Maybe you could show me how to try  
Maybe you could take me in  
Somewhere underneath your skin

What do you say to taking chances  
What do you say to jumping off the edge  
Never knowing if there's solid ground below  
Or a hand to hold  
Or hell to pay  
What do you say  
What do you say

And I've had my heart beaten down  
But I always come back for more, yeah  
There's nothing I'd love to pull you up  
When you're lyin down on the floor there

So talk to me, talk to me  
Like lovers do  
So walk with me, walk with me  
Like lovers, yeah  
Like lovers do

What do you say to taking chances  
What do you say to jumping off the edge  
Never knowing if there's solid ground below  
Or a hand to hold  
Or hell to pay  
What do you say  
What do you say

Don't know much about your life  
And I don't know much about your world
