First date you bring me flowers  
Sit and talk about how close you're with your mother  
Mention how golden you live  
As if that shit would be impressive

My wallet just don't need ya  
If you don't get it, then we'll see ya!  
Who do you think that you're fooling?  
If you don't get it then prove it  
But don't fuckin' over do it

Girls just wanna have fun  
Take the moves and turn them all around cause  
Girls just wanna have fun  
Take my word don't wanna let you down  
Girls just wanna have fun  
Why ya'll so dedicated  
When it's not that complicated?

Ah, ah, ah, ah.

Your lines are over-rated  
This time you almost got me irritated  
What part of no don't you get  
Bet your ego got a turn and now you're upset

My wallet just don't need ya  
If you don't get it, then we'll see ya!  
Who do you think that you're fooling?  
If you don't get it then prove it  
But don't fuckin' over do it

Girls just wanna have fun  
Take the moves and turn them all around cause  
Girls just wanna have fun  
Take my word don't wanna let you down  
Girls just wanna have fun  
Why ya'll so dedicated  
When it's not that complicated?

Ah, ah, ah, ah. Woo!

You want me over here  
You want me over there  
You like me best when  
I'm not the rest of the girls  
That demand nothing

But you're missing out  
What it's all about  
So if you think you bore me  
Here is the story

Girls just wanna have fun  
Oh girls just wanna have fun

Girls just wanna have fun

Take the moves and turn them all around cause  
Girls just wanna have fun  
Take my word don't wanna let you down  
Girls just wanna have fun  
Why ya'll so dedicated  
When it's not that complicated? [x2]

Girls just wanna have fun  
They wanna have fun, fun, fun  
They wanna have fun!
