

## Is It Love

[Play](#)

Got an angel at my bedside  
Watching over me tonight  
Smiling from a photograph  
And everythings just right

Been dreaming of you before  
And now it's true  
My heart is beating just for you  
Baby I wanna know

Is it love?  
Is it love?  
Is it why I fall everytime you call?  
Is it love, really love?  
When you say it's forever  
Is it love?  
Is it love?  
That I'm breathing  
When I dream of you tonight

Tell me how can I imagine  
Something brighter than your eyes  
No-one ever came this close  
You made me realize

Been dreaming of you before  
And now it's true  
My heart is beating just for you  
Baby I wanna know

Is it always gonna be  
Will you always care for me  
Is all that I want  
All that I need  
Is it all I ever hoped for  
Baby..
