Hello?  
I got your message  
Oh, so you're sorry?  
No, I'm the one who's sorry  
'Cause baby, you're in Never Neverland

You can tell me that you're sorry  
Beg me for another chance (Ohhhh)  
You can think I'll take you back  
You're in Never Neverland  
Make the same old tired excuses  
Say that I don't understand (Understand)  
If you think you're still my man  
Baby you're in Never Neverland

Here we go  
You're playing it cool  
But you can't keep your story straight  
That you were alone  
Let me hear you explain  
Why there's lipstick on your face

Doesn't even really matter  
What you say no more  
There in a lie, in a alibi  
That will make me still be yours

You can tell me that you're sorry  
Beg me for another chance  
You can think I'll take you back  
You're in Never Neverland  
Make the same old tired excuses  
Say that I don't understand  
If you think you're still my man  
Baby you're in Never Neverland

Uh ohh  
Yeah yeah yeah  
Oh ohh  
Never Neverland

When I back down  
You take it for granted  
And make a fool of me  
And go work it out  
Don't waste your breath  
On a useless apology

Doesn't even really matter  
What you say no more  
There in a lie, in a alibi  
That will make me still be yours

You can tell me that you're sorry  
Beg me for another chance  
You can think I'll take you back  
You're in Never Neverland

Make the same old tired excuses  
Say that I don't understand  
If you think you're still my man  
Baby you're in Never Neverland

There ain't no turning back  
To what we could have been  
Now that I got my heart back  
On it's feet again

I see the way you are  
You lie, you lie  
Expect me to try  
One more time  
None of your lies

You can tell me that you're sorry  
Beg me for another chance  
You can think I'll take you back  
You're in Never Neverland  
Make the same old tired excuses  
Say that I don't understand  
If you think you're still my man  
Baby you're in Never Neverland

You can tell me that you're sorry  
You can think I'll take you back  
You're in Never Neverland

Ohhh never  
What? You're telling me you're sorry?  
Well, I won't give you another chance  
Baby you're in Never Neverland

You can tell me that you're sorry  
Beg me for another chance  
You can think I'll take you back  
You're in Never Neverland  
Make the same old tired excuses  
Say that I don't understand  
If you think you're still my man  
Baby you're in Never Never

You're in Never Never  
Baby you're in Never Neverland
