

When Love Is Bleaching Bad

Play

How, how do I make you understand
How much I'm need you breathing you
Every minute

Should I stay and let you know
That you're the one that I adore
Cause I can't let you go, wait no more tonight

Blue eyes are staring straight at me
Wonder what is wrong, why I'm gone
And if it's over?

Cause I made up my mind
I'm gonna leave us behind
You made me close the door. so don't you beg no more
Tonight

If the love you have is bleaching bad
You should paint it back with all your colors
And if there's love in sight, you should speak up tonight
That's the way it is and should be when you're in love

Why, why did I spend so many nights
Just arguing, and fight with him
Over nothing
That was all waste of time
Now that you're on my mind
Now you fill my mind
You're in my mind
Forever

If the love you have is bleaching bad...

If I'd wait you'd stick around
If I hate you should turn me round
Hold my tears when I hit the ground
Shouldn't settle for less when your heart's in the middle
If we're lost and pale inside
Use the colors that we never tried
That's the way it should be
That's the way it is when you're in love
