

## Same Outfit

PlayRadioPlay!

I dream a little bit about the chance of seeing you,  
And out the window there's a full moon staring at me.  
Inside  
My room  
Your not  
Here to  
Check out the new tune  
[It's pretty fast  
It's pretty low-fi  
At one point I even cut out all the bass  
160 b.p.m.  
Generic cord progression]  
Tomorrow on this same screen  
Right at this moment  
I am composing  
You and I will have a simple conversation  
About our day, the next day it starts again  
Same time  
Same place  
Same outfit  
Because I have failed to wash my clothes  
[Wash my clothes]  
Sitting alone  
I remember why I still am single  
A basic lack of healthy socializing skills  
You know me in a way  
I could never say to your face  
"My hair is frizzy from the  
Humidity." I say but the truth is  
It hasn't rained in over a month  
Texas, has come from your suspicious hunch  
People  
Make me  
Crazy  
To the point where  
I can't even breathe
