Pleasure P

Now, now, now, now, now

Catch me, catch me at the bar
Now we in the car
How we end up on the floor
Baby I need

I'm pulling over, wish my backseat had a bed now (now, now)
I did about eighty on the highway
Now we in your driveway
And I can't keep from staring at your legs now

Yea, you got that kind of love that make a nigga feen baby (yea)
I know you got to go
But I can't let you go
Just one more time, nice and slow

You got me wanting more (yea, yea)
More and more and more (more than you know)
Can't wait until you get off work and see me (ooo)
Cuz I'm a be right there standing at your door

You got me wanting more (more, more, more)
More and more and more
That's why I hate it when you're leaving
Got me trying to find every reason
Cuz I need that pleasing
Baby I need, more

Catch me at the bar
Now we in the car
How we end up on the floor
Baby I need, more

Catch me at the bar
Now we, now we in the car
How we end up on the floor

My phone is ringing
I just want to see your name, mama
Even early in the morning
You're the one I'm wanting
I love the way that you're doing your thing mama

I want to see you this wide
Keep, keep the lights on (turn the lights on)
I love how you put on a show
When you get on the floor
Look how go you got me baby

You got me wanting more
More and more and more
Can't wait until you get off work and see me
Cuz I'm a be right there standing at your door

You got me wanting more (more, more, more)
More and more and more

That's why I hate it when you're leaving
Got me trying to find every reason
Cuz I need that pleasing, more

I need your cooperation
My body, your body
It's going down girl

Let's have a freaky conversation
I hope you can handle my love
My love, your love
Be thinking about it all day long

I want it more and more each moment
When you're away

You got me wanting more
More and more and more (now)
Can't wait until you get off work and see me
And I'm a be right there standing at your door

You got me wanting more (more, more, more)
More and more and more (now)
That's why I hate it when you're leaving (yea, yea, now, now, now, now)
Cuz I need that pleasing, more

Yea, yea, yea, yea
Baby I need, more
Yea, yee, yee, yea, yea, yea
