Cause back in the day only pussy niggas the ones told
But now-a-days the so called killas that sell their soul
This snitchin shit done diversify the young and old
Everybody tellin now-a-days niggas in holes
The ones the streets call real is the ones that fold
These crackas put you in that empty room and make you cold
And make you wait a couple of hours before they open the door
And give you time to think about it before they come at your door
They ask you do you want to talk all you gotta tellem is no
Cause tellin on yourself and on yoo dawg make you a hoe
If you a G then be a G nigga take it and go

Everybody goons until they catch a case
Detectives go to talkin, they killer shit fade away
The first ten minutes then you started off straight
The crackas applyin a lil pressure you pussy niggas break
You so ugly when you cry, nigga wipe your face
