

## Catch Up

Plies

You better catch up  
You better catch up  
Better catch up  
Why yo don't watching what I'm doing  
Better catch up

You just thought of having I been having you better catch up  
I will rock in Atlanta some will better catch up  
Why you watching me and what I'm doing you better catch up  
Note to polly this is my accountant you better catch up  
You just thought of having I been having you better catch up  
I will rock in Atlanta some will better catch up  
Why you watching me and what I'm doing you better catch up  
Note to polly this is my accountant you better catch up

I just made a 100 Benz and ain't got asked for being here  
Ask me could she be my lady I told her ain't got the hear yet  
Everybody watching me I think they need binoculars  
Bitches wanna rate the kid I guess because I'm popular  
Have you ever ran out of a whole flow in Vegas  
No you never didi look bitch take some paper  
All I gotta see though you can't find your 20 o's  
I don't want a baby bitch I think I left some semen on her  
Last time I went rubbing rubbing it's some ball name  
Last time I witnessed jail a poly found a 100 grand  
You be filing me so much you just like my shile  
I can fuck yo baby woman over when she in town

You just thought of having I been having you better catch up  
I will rock in Atlanta some will better catch up  
Why you watching me and what I'm doing you better catch up  
Note to polly this is my accountant you better catch up  
You just thought of having I been having you better catch up  
I will rock in Atlanta some will better catch up  
Why you watching me and what I'm doing you better catch up  
Note to polly this is my accountant you better catch up

If you ain't worth no real paper you ain't my competition  
You and me ain't beefing dog if you ain't came up miss  
Eight figure nigga but I be still living in trenches  
She be trying to get me play but on me getting attention  
They ask me do I held a word by somebody robbing me  
Keep the word on the bang I ain't worried about you bothered me  
I just left the quarter line beef for nosing  
I just dropped a bag and signed the paper I ain't even drove it

You just thought of having I been having you better catch up  
I will rock in Atlanta some will better catch up  
Why you watching me and what I'm doing you better catch up  
Note to polly this is my accountant you better catch up  
You just thought of having I been having you better catch up  
I will rock in Atlanta some will better catch up  
Why you watching me and what I'm doing you better catch up  
Note to polly this is my accountant you better catch up
