All of this ice

She said that I'm nice  
Yeah like a zebra

If she don't wanna fuck me  
She might be a dyke

She wanna call me  
I gotta flight  
Give me a stick  
You still know how to fight  
Let me go right  
Guess they don't mice  
Give me your check  
Don't give me advise  
Out at McDonald  
Real fucking dawn  
I've been a lot of things but never beyond
