

# Know What She Doing

Plies

Shorty know what she doing (2x)  
Look how she get straight to it (2x)  
Shorty know what she doing (2x)  
Tell her how she moving (2x)  
Shorty know what she doing (2x)  
Look how she get straight to it (2x)  
Shorty know what she doing (2x)  
Tell her how she moving (2x)

The way she move her hips yea, remind me of a centipede  
The way she like to ride yea, remind me of some jet ski  
The way she pull her panties off, she stop them right to her knees

Before she take them all off she makes sure she looking right at me

Her skin soft just like a baby, fuck just like a grown lady  
Hit her from the back, shhh she pop that ass and it be wavy...  
She turn her head to the side, that's I know she concentrating  
And when she slap her own ass, that's how I know she motivated

She ride a nigga backwards, ha hands on my nuts  
Her head titled bike, she looking straight up  
She bouncing up and down, I'm putting it in her guts  
She's squeezing on her titties, I'm squeezing on her butt  
She told me talk to me daddy, so I'm talking to her rough  
She say I'm in ha chest, I told her tighten up!  
My hand's on her waist, I'm frowning all up, I told her hold up  
the peace sign, when she feel, she finna nut

Her chest in the bed, ass in the air  
Arch in her back, sweat in ha hair  
Face in the sheets, legs open wide  
Pussy got a glaze to it, creepy cream shine  
Monkey sitting low, ass sitting high  
Hand on ha clit, she moving it around  
Finger in her pussy, she moving in&out  
She breathing through her mouth, shorty showing out
