Growing up I would never hate her
Capping G I did a lot of favor

Went in jail I was a population
Packa watching that's an observation
Pack bitch a def of demonstration
Rack dope that's an honor statement
I'm in the street that's my congregation
Money dope my infatuation
May set me off my busting baby
Real niggas they appreciate me
Whole niggas gon soldier hate me
Lover boner in every occasion
Your tonsils I'm penetrating

Switch hustles I'm leveled up
Doubled down I leveled up
Ground for I'm leveled up
Put in work I leveled up

Broad day round three sun
Got the Julia Capri's on
Finesse and all for the beer on
Security guard on me why
Riding 'round with a beep-on

Cold sign they need one
Got the bag and I'ma keep watch
