

# Luv Me Right

Plies

Yeah, go ahead and take that off  
I could look at you and tell that pussy everything  
Plies, Slip-N-Slide Records

There's a right and a wrong way to fuck me, baby  
A right way to fuck me, baby  
You love me right, oh-oh-oh  
There's a right and a wrong way to fuck me, baby  
A right way to fuck me, baby  
You love me right, oh-oh-oh

I've been hustling all day, I'm fresh out the streets  
Last thing I need is somebody who don't know how to fuck me  
Want you to give it to me, baby, until we fall asleep  
And leave the lights on for me 'cause I like to peek  
I wanna look at your face while you're riding me  
And when you slide down on it, baby, go deep  
You breathing hard, your legs shaking 'cause they getting weak  
I got you moanin now 'cause you can't speak  
I got you so wet, you leaking on the sheets  
Want you to slow it down for me, I ain't ready to skeet  
And I can stay here all night with you on top on me  
Two freaks together, baby, this how it's supposed to be

There's a right and a wrong way to fuck me, baby  
A right way to fuck me, baby  
You love me right, oh-oh-oh  
There's a right and a wrong way to fuck me, baby  
A right way to fuck me, baby  
You love me right, oh-oh-oh

Lay on your stomach for me and push that ass up  
And just relax for me let me do all the work  
But when I say throw it, just make that ass twerk  
And I ain't gon' punish you right now, I'ma take it easy first  
I don't want you to run from me so I'ma grab your curves  
And I'ma stay back here, baby, until you catch yours  
I know I'm in you good 'cause I just felt you jerk  
And how you moan, I don't know if it feel good or if it hurt  
But how you throwing it at me, I know it's a good hurt  
Just watching your ass move, it make me wanna burst  
But I already told you I'ma let you cum first  
And as we speak, baby, sound like you cumming, girl  
Now, baby, hold on while I beat you, girl  
Go on ahead and let it go, I see your toes curl  
And now you're shaking, baby, I know it's over, girl  
Now we done both came, we in our own world

There's a right and a wrong way to fuck me, baby  
A right way to fuck me, baby  
You love me right, oh-oh-oh  
There's a right and a wrong way to fuck me, baby  
A right way to fuck me, baby  
You love me right, oh-oh-oh

I told you, the only thing you had to do was give the pussy to a real nigga  
I told you, I got you, baby
