Bitch I'm strapped in the corner, nigga slide if he wanna  
Wanna a hour of sleep, they drunk as sic on coronas  
Bitches play on my phone, gotta switch up my number  
I drive fuck with a man, I told her bitch call the tinder  
I just leave her from here to pry had to switch the rental  
Niggas trying to keep it, gotta stay here some different  
Got me talking to cold, and crack a problem and listening  
Say you nowhere a sweeper, I told him nigga ain't with it  
Cause if the liquor so sweet  
You wouldn't need me to get it  
Word around town, me is such as a beefin  
I ain't beef with that nigga, feel like that nigga pussy  
I ain't paying a shit, I told that nigga I took it

I'm mean mugging, mean mugging,

Hoe know he hold that wild,  
I'm mean mugging, mean mugging,  
I'm mean mugging, mean mugging,  
I stay clutching on that wild,  
I'm mean mugging, mean mugging,  
I'm mean mugging, mean mugging,  
Ain't try to get to know you  
I'm mean mugging, mean mugging,  
I'm mean mugging, mean mugging,  
I'm mean mugging, mean mugging,  
Since you stand now you know  
I'm mean mugging,

Hoe know you like that, I'm tryina keep it like that  
Ain't tryina be friendly, and I ain't tryina chit chat  
I'm tryina stay to myself, and keep that bang in my belt  
I ain't try to be cool, don't need you all in my ear  
If you don't like what you stand for,  
Keep that shit over there

If I ain't sliding with my young niggas, I rock by the self  
Keep them niggas out the space, don't want them all in my face  
And if your side is on, cause don't believe in mistakes  
I'm buying diamonds the grin, bitch try me and I'm clicking  
Clutching on it all, on the handle I'm gripping  
I'm that... sipping, but I'm paying the teaching  
Got this thing going on it, if he fool it, he get it

I'm mean mugging, mean mugging,  
I'm mean mugging, mean mugging,  
Hoe know he hold that wild,  
I'm mean mugging, mean mugging,  
I'm mean mugging, mean mugging,  
I stay clutching on that wild,  
I'm mean mugging, mean mugging,  
I'm mean mugging, mean mugging,  
Ain't try to get to know you  
I'm mean mugging, mean mugging,  
I'm mean mugging, mean mugging,  
I'm mean mugging, mean mugging,  
Since you stand now you know
