

She a pretty lil thang [x3]  
Yah [x5]

She a pretty lil thang  
Gotta face so cute and her body so sexy gotta pretty lil frame  
I love how she stay in the mirror dolled up doing her pretty lil thang  
Her favorite hashtag when she post on the gram yeah pretty lil thang  
She a pretty lil thang [x2]

Ion leap first but I'm all in her story  
Ain T-Pain but you still my shorty  
Lil mama swole got ass for days  
I don't wanna take her on the hideaways  
Skin look good no bumps on her face  
I don't wanna let her blow the bag for the day  
I just wanna boss her up and she don't even know it  
Know that she shit though she don't even show it  
She pretty lil thang  
Got her hands on her knees while she drop low with it doing her pretty lil t  
hang  
You can find her in the corner low-key ducked off with a pretty lil drink  
She a P-L-T yeah she a pretty lil thang  
She a pretty lil thang

She a pretty lil thang  
Gotta face so cute and her body so sexy gotta pretty lil frame  
I love how she stay in the mirror dolled up doing her pretty lil thang  
Her favorite hashtag when she post on the gram yeah pretty lil thang  
She a pretty lil thang [x2]

I look at her in the mirror like damn she shit  
Seen her on the gram like damn she a bitch  
Seen her from the side like damn she thick  
Now it make sense why they hating on this  
Bae look good no makeup no non'  
Got her own bag she ain't waiting on non'  
Face so pretty I like to kiss her on her nose  
Feet so pretty I like to kiss her on her toes  
Sweat suit on and she still be killing  
Bad hair day and she still be winning  
Look at my lil baby yeah she drop dead gorgeous  
I just like to see her when she wake up in the morning  
She a pretty lil thang  
Cat so good make you fall asleep in it yeah I love that thang  
She a P-L-T yeah

She a pretty lil thang  
Gotta face so cute and her body so sexy gotta pretty lil frame  
I love how she stay in the mirror dolled up doing her pretty lil thang  
Her favorite hashtag when she post on the gram yeah pretty lil thang
